

**ADDENDUM NO. 1**

**ANNUAL COURT RESURFACING – FAIRLANDS PARK AND TENNIS AND  
COMMUNITY PARK  
PROJECT NO. 24744**

This Addendum is hereby made a part of the project contract documents. It shall be the responsibility of the general contractor to inform any affected subbidder of the content of this Addendum.

The contract documents are modified as follows:

**Plans**

---

Question: Is it possible to get a picture and estimated height of the tree to be removed at Tennis and Community Park and what is the process for addressing possible root intrusions or damages inflicted on the court?

Response: See below.

---

ITEM	REFERENCE	DESCRIPTION
01	Sheet L4	Existing tree to be removed is as shown below:

The tree height is approx. 40-ft tall. Root removal shall be as indicated on the plans and in the city standard specifications. If any additional root removal is identified as necessary during the course of construction, then it will be handled through an RFI at that time.

---

Question: Who is responsible for providing the posts and nets for the tennis courts and the anchors for both pickleball and tennis?

Response: See below.

**Specs**

---

02            Section 12 93 00            Part 2.1 – Products, add the following:
