

INVESTING IN THE FUTURE OF WATER

Providing safe and reliable water in Pleasanton - today and tomorrow

STRATEGICALLY

Investing in a Safe, Reliable, and Sustainable Water Supply

- Partnered with Zone 7 for the Joint Groundwater Wells Study (February 2024)
- Well Siting Analysis and Testing of New Groundwater Well Sites (Began in June 2024)
- Phase 1 Joint Groundwater Wells Study & Preliminary Design (Fall 2025)
- Phase 2 of Joint Groundwater Wells Project (Completed 2029)

PROACTIVELY

Meeting Increasing Regulatory Mandates

- City's Groundwater Wells Taken Offline Due to PFAS Levels (November 2022)
- Water Supply Alternatives Study in Response to PFAS Requirements (October 2023)
- Lead and Copper Inspection Plan (October 2024)
- Cross Connection Control Plan under AB 1671 (July 2025)
- Compliance with Water Conservation as a California Way of Life Requirements, i.e. SB 606 and AB 1668 (January 2027)
- Implementation of AB 1572 Non-Functional Turf Ban (January 2027)

PROGRESSIVELY

Planning for Water Infrastructure Needs

- Hydraulic Model Master Plan to Evaluate Water Capacity (May 2024)
- Started Stoneridge and Sunol Water Line & Turnout No. 4 Replacement (May 2024)
- Bernal Avenue Water Line & Turnout No. 1 (July 2024)
- Finalized Water System Management Plan & 10-year Capital Improvement Program (January 2025)
- Install Turnout No. 4 Booster Station (Spring 2026)

RESPONSIBLY

Funding the Future of Pleasanton Water

- Water Rate Study Approved (November 2023)
- Achieved an 'AA' Credit Rating for Financial Stability and Responsible Governance
- Connection Fee Study (May 2024)
- Issued \$19 Million Water Revenue Bonds for Near-Term Water Infrastructure Projects and Design of Joint Groundwater Wells Project (June 2024)
- Water Enterprise Financial Analysis and Water Planning Scenarios (March 2025)
- Water Rate Study to Meet Future Needs (Adoption Expected Fall 2025)
- Issue Revenue Bonds (Winter 2025)
- Implement New Water Rates (January 2026)

REGULARLY

Expanding Public Engagement, Programs, and Services

- Established Pleasanton Water Advisory Group (July 2024)
- Created Joint Groundwater Wells Study Website (Summer 2024)
- Launched Pleasanton Water Portal & App for Online Payments and Services
- Started *Pleasanton Pipeline* Special Edition E-Newsletter (August 2023)
- Hosted Pleasanton Water Open House (March 2025)

Stay Tuned for New Programs and Future Opportunities to Engage with the City
