# REPORT ISSUES

Use the Maintstar - Service Portal to report issues online or on your mobile device.
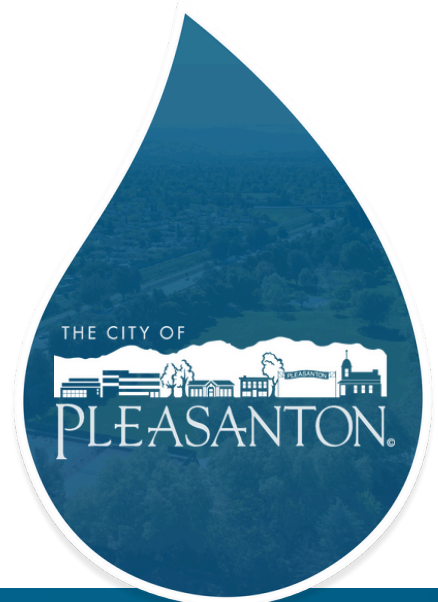

BOOKMARK IT

The Pleasanton Water Portal and App allows users to create requests for problems within the City of Pleasanton, such as potholes, clogged storm drains, water main breaks, etc.

Residents can receive an automated email notification about the request status and can view requests on a map included in the application.

WHAT TO INCLUDE IN YOUR REPORT:

- **Photos of the Issue**
- **Address or GPS Coordinates the Issue**
- **Your Information** *(optional)*
