

## HOW TO REDEEM A COMMUNITY GIFT CARD

Customer presents **gift card** on a mobile device or printed on paper.

Process as a MasterCard (**credit card, not a gift card**) - key in the 16-digit code, CVV, zip code, expiration as required by your POS.

**DO NOT charge more than the prepaid amount**, otherwise the transaction will be declined.

Online/mobile gifts always show the current balance. To check balance on a printed gift, go to <https://c.yiftee.com/check-gift-balance>.

To process a payment that **exceeds the eGift Card value**, enter the card value first, then use another payment method for the remaining transaction amount.

**No tipping is allowed.**
